Florence County University of Wisconsin-Extension's 4-H/Youth Development Program and Florence County School are offering 4 days of biking, hiking, canoeing, kayaking and exploring places of interest in Florence County. We are planning these days to be Fun as we enjoy healthy activities in our beautiful outdoors. We will find points of interest and destinations with maps and more. Healthy lifestyle, nutrition tips and games will encourage outdoor activity.

**What will we do?** Each day will focus on a different outdoor adventure. We plan to bike, hike, fish, canoe, kayak and work on the ropes course. Bring a bag lunch.

**What happens if it rains?** Sometimes we may get wet if it rains while we are in route. We will not be outdoors during a thunderstorm or when it is lightning. We will hold sessions indoors on days of bad weather.

**Times:**  
10:00am to 3:00pm
